

Management Capability Development Fund

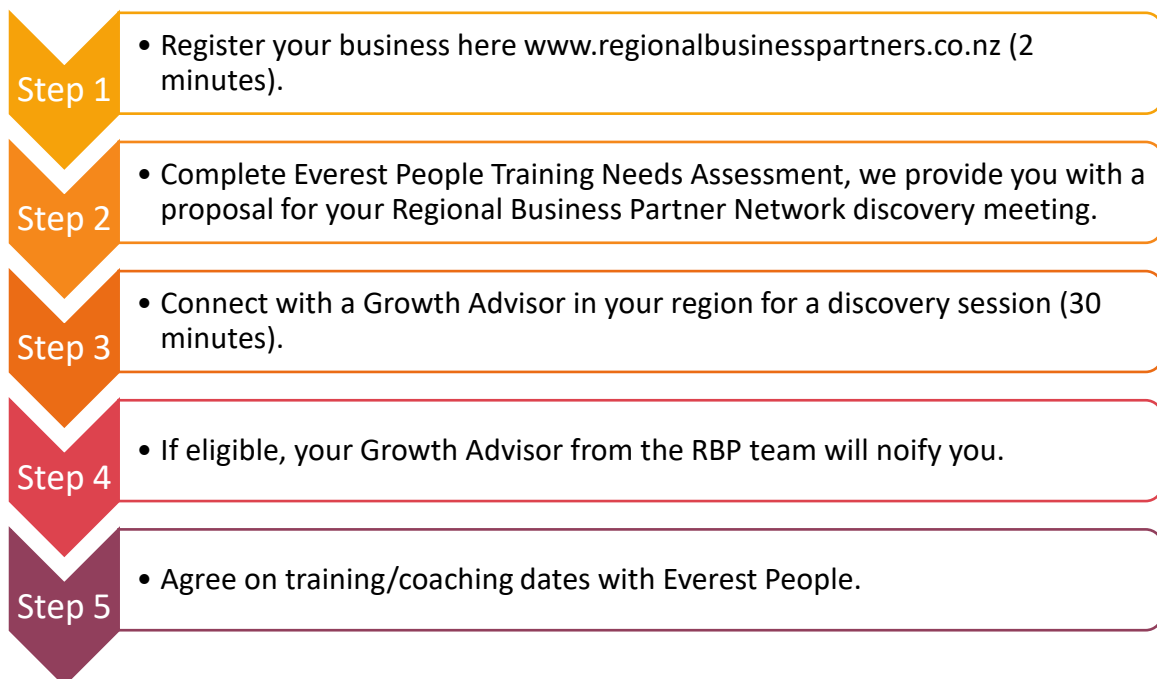

Everest People are pleased to offer a range of training and coaching services which are subsidised up to 50% of cost using the Regional Business Partner Network Capability Development Fund.

The purpose of the fund is to build capability in your business, lifting the skills of owners and people leaders. Whether you are building and aligning your team or developing yourself as an individual, we can help build capability and culture in your business.

To qualify for up to 50% off training costs (capped at \$5K+gst per year) the criteria is:

- Have undergone an assessment with a Regional Business Partner (RBP) Growth Advisor,
- Have fewer than 50 full time equivalent employees,
- GST registered NZ business,
- Have a NZBN number,
- Be operating in a commercial environment and
- Privately owned business or a Māori Trust

The Regional Business Partner Network registration is quick and easy, and we are happy to support you through the process.
